

## **Traffic Wave Matrix Buster** **Grow Your Traffic Wave Business on Steroids**

Want to grow your Business quicker with absolutely no net cost?

Use the Traffic Wave Matrix Buster feature. And teach your downline to do the same!

First you need to understand how the Matrix Buster works. Read the next highlighted section for a brief explanation and be sure of your understanding.

Briefly, The Matrix Buster allows your prospects to join you personally as a free trial member and you can “Pay it Forward” for them and then get the Fast Track bonus of the full \$17.95 back from Traffic Wave. This allows your new member to test the system so to speak and start referring members even before they have to make a payment themselves of \$17.95.

From the TrafficWave explanation page:

Quote:

The Matrix Buster system is an aggressive method for building your TrafficWave.net business quickly.

The key to success with the Matrix Buster system is to use a little “trick of the trade” with the compensation plan to get you in profits faster than usual. In a nutshell, you agree to pay for the first month's upgrade for your new referrals.

Why?

Because of our 100% Fast Track Bonus, you receive all of that upgrade money back as a Fast track Bonus. So by spending \$17.95 to upgrade your new referral, you get \$17.95 in the form of your Fast Track Bonus.

The deal you make with your new referral is that they will do the same. When

they upgrade their own referrals, not only do they get the Fast Track Bonus on those referrals, but your organization begins to grow VERY quickly as more team members get involved.

At first glance, it looks like you're just trading. But you really are building a massive team of paid Affiliates and that means you will be quickly earning a very large (and quickly growing) monthly income as your new referrals begin to duplicate this system of growth.

**WHY DOES THIS WORK?** Let's look at how the Compensation Plan Pays:

**FAST TRACK BONUSES:** Every time you personally refer a new Active sale, Traffic Wave.net pays you a 100% Fast Track Bonus. This is why you can pay \$17.95 to sponsor a new member. This money comes back to you as a Fast Track Bonus.

**MONTHLY RESIDUAL COMMISSIONS:** Starting in the second month, you get paid \$6 for each of the three people on your first level (regardless of whether they are your personal referrals or not). This means you are actually in profit from this point forward. Because of the way Matrix Buster helps qualify you for the the highest levels in the comp plan, you will be earning \$1 on every other active sale in your organization (regardless of whether they are your personal referrals or not).

- Level 1 holds 3 people and pays \$18.00 (covers your subscription)
- Level 2 holds 9 people so that's another \$9.00
- Level 3 holds 27 people so that's another \$27.00
- Level 4 holds 81 people so that's another \$81.00
- Level 5 holds 243 people so that's another \$243.00
- Level 6 holds 729 people so that's another \$729.00
- Level 7 holds 2,187 people so that's another \$2,187.00
- Level 8 holds 6,562 people so that's another \$6,562.00
- level 9 holds 19,683 people so that's another \$19,683.00
- Level 10 holds 59,409 people so that's another \$59,409.00

Disclaimer: This illustration is only to show the potential earnings of the compensation plan. Actual earnings can not be promised and will vary according to skills and circumstances on an individual basis.

Other Leadership and matching bonuses will also increase earnings beyond the matrix schedule.

Below is the statement you agree to when you register for Matrix Buster.

**Register to Participate**

I have read the Overview above, and understand that participation in the Matrix Buster program is completely voluntary. There is no enforceable obligation on the part of myself, my sponsor, or any Members I personally sponsor, to use the Matrix Buster program to upgrade TrafficWave.net Members to Active status.

Note that “There is no enforceable obligation on the part of myself, my sponsor or any members I personally sponsor, to use the Matrix Buster program to upgrade TrafficWave.net Members to Active Status”

What this means is that you are making an agreement to participate to the best of your abilities.

You are not signing a Contract.

There is no cost to participate.

And I am willing to “Pay it forward” for you because I get my money back. However, I can only pay it forward for a limited number of new people each month.

This is a definite “Win, Win” situation.

There are some considerations you need to think about before you decide to do this.

1. Be sure that you have funds available to cover the initial cost of your “pay it forward” activity. (You do get your funds back with the Fast Start bonus but it may take more than the 30 days to do so).
2. Be selective of who you “pay it forward”. I never use it unless the prospect has been in communication with me by email, phone, or some other means and agrees (to the best of their ability) to do so for his downline. Their budget restraints, etc, need to be such that they can afford to follow your example.
3. Once you understand how the TrafficWave Matrix Buster works, contact me for a referral link to join. Remember that I mentioned above that I can only Pay It forward for a limited number of people each month. However, I may have some of my team members who have agreed to participate and are ready for a new member.
4. Join TrafficWave as a free trial member from the link I send you. Or if you have been directed to this PDF from someone other than me, be sure to contact whoever it was and join from them, otherwise join from the referral

link I send you as a free trial member and then contact me that you did so. My email is dcfullmer1937 @ gmail.com (Please don't send me spam) Contact me for questions or concerns.
